Ece Özcan Çatma

ART DIRECTOR & SENIOR MOTION DESIGNER

PROFILE

Art Director and Senior Motion Designer with 8 years of experience in 3D projection mapping, immersive experiences, brand launches and live events, audiovisual shows and architectural installations. Has delivered work for brands such as Nike, Porsche, Hyundai, Dell and MEY, and was part of the team behind projects awarded at Crystal Apple and Felis. Currently leads creative direction and motion design at 3İK, taking projects from the first idea to the live show on site. Combines strong storytelling with hands-on technical knowledge of LED, multi-screen and mapping production.

WORK EXPERIENCE

Art Director / Motion Design Lead

March 2025 - Present

3İK · Istanbul

- Sets the creative direction for brand launches, corporate events and immersive experiences, and manages projects from the first idea to the live show.
- Leads the motion design team, plans the workload and keeps visual quality and brand consistency high across all projects.
- Prepares concepts, moodboards, storyboards and client presentations, and takes an active role in new business pitches.
- Works directly with clients, producers and technical teams to plan content for LED, projection mapping and multi-screen setups.
- Plans project timelines and resources, and runs installation, rehearsals and live shows on site.
- Mentors junior designers and builds workflows and templates that make production faster.

Senior Motion Designer

September 2024 - February 2025

Sth Team · Istanbul

- Worked on event design, video production and editing, social media content, digital campaigns and immersive experiences.
- Took an active part in creative ideation and helped raise the overall production quality of projects.

SELECTED PROJECTS

Dell Technologies Forum 2024

Responsible for all creative processes of the event held at Rixos Tersane in November 2024, including multi-screen displays, stage shows, laser mapping, live broadcast and editing. Managed every stage from content production to technical control for each LED screen, in line with the same event held in other cities around the world.

WORK EXPERIENCE

Senior Motion Designer

October 2018 - March 2024

Awesome Bros. · Istanbul & London

- Worked across digital art, immersive experiences, 3D mapping, event design, video production, audiovisual installations, data visualization and digital campaigns, and contributed to overall production management.

SELECTED PROJECTS

Galata Tower 3D Projection Mapping Show

Started as composition artist and movement designer in the storytelling phase, then took ownership of all project details including 3D and 2D animation, and prepared the full project documentation.

Nike Air Max 720 Launch Campaign

Took part in the animation and design process of the launch created in collaboration with Refik Anadol. The project won 6 awards in total at Crystal Apple and Felis.

Porsche Taycan Launch, Zorlu Center

Responsible for compositing, creative process, editing, and sound and music synchronization, and produced the LED screen content for the immersive space.

Hyundai i20 Launch Event

Worked on the full design process, including film composition, animation, film flow and storytelling.

MEXT Brick Wall

Led the architectural design process of the mapping demonstration for the MEXT technology center, then supervised animation production to fit the architectural structure.

MEY: "Discover the Art of Rakı"

Produced the 2D and 3D animations of the digital installation and was accountable for every stage of the project.
